The citations listed on attached PTO Form 1449 may be material to the examination of the subject application. Applicant submits copies of these references in compliance with the duty of disclosure defined in 37 C.F.R. §§1.56, 1.97-1.99. The Examiner is requested to review and make these references of record in the above-referenced application.

This submission does not represent that a search has been made or that no better art exists. Further, this submission does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicant determines that the cited documents do not constitute "prior art," Applicant reserves the right to present the relevant facts and law regarding such documents. Applicant reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

3171966\_1.DOC

Pursuant to 37 C.F.R. §1.97(c), applicant submits that no item of information contained in the Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application and, to the knowledge of the undersigned after making reasonable inquiry, neither was it known to any individual having a duty to disclose more than three months prior to the filing date of this information disclosure statement. Therefore, no fee is required for the Examiner to consider the references cited herein.

Applicant respectfully requests expeditious examination and a favorable action on the merits.

Respectfully submitted,

Date: 22 DECEMBER 2003
